Configure™ Decorative Waste Containers

- Heavy-gauge steel recycler with a damage-resistant powder coat finish features contoured edges and magnetic connections that keep receptacles perfectly aligned to one another for a professional appearance
- Rounded easy-glide feet allow the container to be moved efficiently with a colour-coded label and single stream open top
- An easy-access front door with handle allows for ergonomic removal of materials from the recycler while an internal door hinge prevents wall damage
- Rigid plastic liner with handles has integrated cinches for knot-free bag changes and built-in venting channels that allow air to flow into the garbage can for easier disposal
- Ships fully assembled
- Material: Steel
