

Industro® Curing Compound Sprayers

- Galvanized steel tank
- Sprays up to 35% solids
- Endurall® epoxy-coated inside and out
- Separate opening allows filling without removing pump
- Goodyear® Horizon™ extreme chemical resistant hose
- Brass Thrustless™ control valve lasts longer, shuts off quickly
- 24" curved brass extra large aperture spray wand
- 3.5-gallon capacity
- Includes: 2 fan pattern nozzles
- 48" long hose
- All Viton® Seals

Model No. NC060
Mfg. No. 91004CCV
Price/Each \$

Constructo® Poly Sprayers

- Ideal for many commercial jobs
- 2-gallon capacity
- Stable, 6' translucent tank with large funnel top
- Metal Roto-Valve™ control valve rotates 360° for ergonomic comfort
- 18" curved brass spray wand
- TeeJet® nozzle tip
- Adjustable brass, flat fan pattern nozzle
- HPP™ high performance pump with easy carry metal D-handle and push rod
- Locking pressure release valve

Model No. NC057
Mfg. No. 90182
Price/Each \$

Constructo® Curing Compound Sprayer

- Sprays up to 35% solids
- Steel tank is Endurall® epoxy-coated inside and out
- Ribbed tank adds strength and protects against dents and dings
- Continental ContiTech® Frontier® extreme chemical resistant hose
- Brass Thrustless™ control valve - lasts longer, shuts off quickly
- Strong curved brass 24" extra large aperture spray wand with on-board storage
- 14" brass pump great for high temperature and many solvent applications
- All Viton® Seals
- Large funnel top for faster, easier no spill filling
- Includes 2- nozzles
- Tank Capacity: 0 - 3.5 gal.
- Hose Length: 48"

Model No. NJ431
Mfg. No. 91064CCV
Price/Each \$

Foam-a-Matic™ Sprayers

- 2-gallon capacity
- Keeps chemical on target without run-off
- Stable, 6' translucent tank with large funnel top
- Kem-Oil™ chemical resistant, braided power sprayer style hose
- 18" curved poly spray wand
- Locking TOV™ control valve, comfortable, thumb operated
- Foaming action increases chemical effectiveness
- HPP™ high performance pump with glove-sized omfort grip handle

Model No. JB501
Mfg. No. 90192
Price/Each \$

Industro® Curing Compound Sprayers

- Thick corrosion resistant poly natural tank
- 2.5-gallon capacity
- Goodyear® Horizon™ extreme chemical resistant hose
- Brass Thrustless™ control valve - lasts longer, shuts off quickly
- 18" curved brass spray wand
- Brass TeeJet® fan nozzle
- HPP™ high performance pump with metal D-handle

Model No. NC063
Mfg. No. 91183
Price/Each \$

Acetone Compression Sprayers

- All EPDM seals for maximum resistance to acetone
- White natural translucent polyethylene tank
- 51" long, 3/8" I.D., EPDM reinforced hose
- 20" fiberglass reinforced wand
- Adjustable cone pattern nozzle and flat fan spray tip
- High performance control valve with 4" inline filter
- High performance pump
- Pressure release valve
- NJ184 includes an ergonomic high performance pump
- NJ184 Adjustable cone pattern nozzle

NJ184

NJ182

Industro® Stainless Steel Sprayers

- Stainless steel ribbed tank
- Kem-Oil™ chemical resistant, braided power sprayer style hose
- Brass Thrustless™ control valve lasts longer, shuts off quickly
- Brass pump stands up to hot water
- 18" curved brass spray wand
- Separate opening allows filling without removing pump
- Includes: Fan pattern nozzle
- Model NJ137 has Viton® extreme seals for added resistance to extreme chemicals
